**INVITES YOU TO AN AUDIENCE WITH TAYO OF EBONY LIFE**

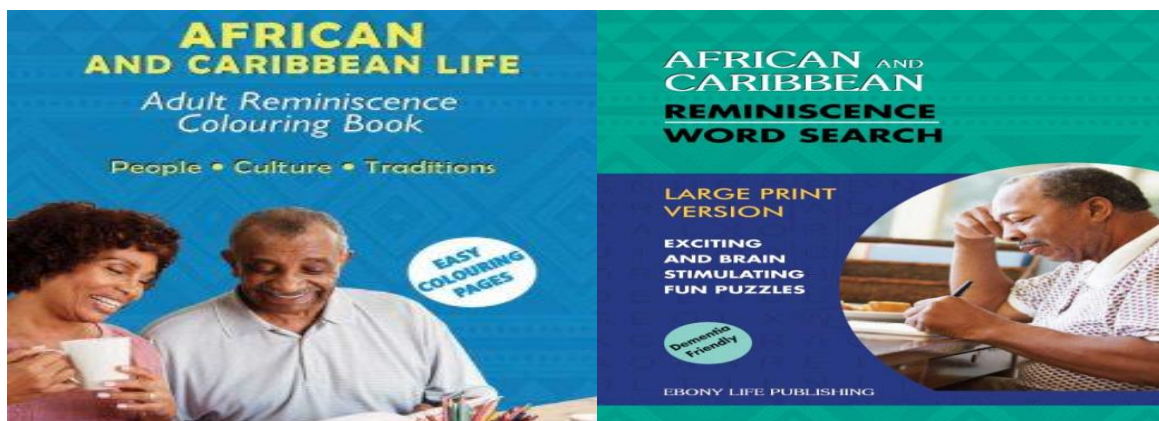

The Sunlight Centre, 105 Richmond Road, Gillingham, ME7 1LX

Tuesday 25 October at 2pm

MACA Senior Citizens meet at the Sunlight Centre, Gillingham every Tuesday from 1pm till 4pm.

We would like to invite you to a session we are having with Ebony Life the publishers of a variety of books; Puzzles and Music CDs specifically created for the African and Caribbean community who are experiencing Alzheimer or Dementia, a very useful tool for those who promote diversity and familiarisation to our African and Caribbean community.

Come and listen to the provider whose own mum suffered from Dementia and who realised what was important for her well-being and stimulation of her mind. So we hope that the children of those experiencing the above will also attend and learn how to deal with this situation when, and if, they are faced with it.

For more information of what we do, go to our website at [macacharity.org.uk](http://macacharity.org.uk).
